Letter from the Editor

Welcome to *Inside ICRM*. I hope you enjoy the revamped format. As mentioned in the August issue, our first issues will focus on interviews with ICRM Regents, Mentor of the Year Award Winners, as well as interviews with some of our international members. But we also want to hear from you. Have you recently...

- Won an award?
- Published a book or article?
- Given a talk or presentation?
- Been promoted, retired, or started a new job?
- Would you like to be interviewed for Inside ICRM?

Since we've not been able to meet up for the past two years [check out these photographs](#) from the ICRM reception at the ARMA International Conference in 2011:

From the Leadership: Interview with ICRM Chair, Paula Sutton, CRM, IGP, FAI

For our October issue, *Inside ICRM* is proud to interview Paula Sutton, Chair of ICRM. Paula discusses the challenges she faced as ICRM President during the start of the pandemic as well as the successes. She also gives advice to others in the RIM Profession to "have patience because things don't change overnight. Just keep working on it and wait for the right time to push something through." She also cautions to "read the environment and adjust to the political and cultural climate of the business." Click [here](#) for the full interview.

Thank you for Visiting Us at InfoGov World!

Thank you to all who visited us at our virtual booth at InfoGov World! Rae Lynn Haliday, ICRM Strategic Alliance Committee Chair shared with us some great feedback: "After two solid years of nothing but Zoom meetings, it was an innovative, refreshing change, fun with the Avatar process as well, and most notably the global turnout of attendees and cutting-edge content delivered over the two days."
