### Letter from the Editor

Recently a good friend of mine announced he was headed to Ukraine. Well, I've known Ray Cunningham for close to 25 years and such an announcement was not a surprise. Ray has traveled to a wide variety of countries in his lifetime. Each time he photographs the country, documenting the places and lives that you don't normally see in the regular media.

I reached out to Ray and asked if he would write an article for Inside ICRM about his trip to Ukraine as well as other countries. He said "Yes" and this issue contains that article. I hope you will find it and his photographs of interest.

With that in mind do you have a special interest that you would like to share with the rest of us? If so, then please contact me at [pakurilecz@gmail.com](mailto:pakurilecz@gmail.com).

Since this is the June issue our quick poll wants to find out what you will be doing this summer. It is an open-ended poll. Responses will be shared in the August issue. Our next issue will also include a new Mentoring column.
