Letter from the Editor

Wow! Hard to believe that it has been one year since we relaunched the ICRM newsletter as Inside ICRM. I want to thank our writers Shado Bayanne, Michael DeVanna, Gary Link, Allison Matos, Nicholas Soares, and Ann Marie Winston without whom there would be no articles. I would also like to thank Meghan McGrath who puts together each issue so that it gets published on time. Thank you also to the members who agreed to be interviewed for the newsletter.

This issue features interviews with Dr. Eugenia Brumm, Michael Maitland and Melissa Dederer. Cheryl Pederson provides a report on the Society of Human Resource Management's Expo in New Orleans where Cheryl, Andrew Ysasi, and Rae Lynn Halliday manned the ICRM booth.

Last issue we asked what you planned to do this summer. There were some interesting responses and I was jealous. So this month with summer almost over and everyone no longer in isolation due to Covid-19 please share with us what you did do this summer. We will publish a selection for our October issue.

Finally, if you would like to be interviewed for the newsletter or would like to submit an article just send an email to me at pakurilecz@gmail.com

Thank you
Peter Kurilecz CRM CA IGP FAI
Editor, Inside ICRM

ICRM Attends SHRM Expo in New Orleans June 11 - 14, 2022

ICRM President, Andrew Ysasi, Strategic Alliance Committee Chair, Rae Lynn Haliday and Strategic Alliance Committee member, Cheryl Pederson attended the Society of Human Resource Management ("SHRM") Conference Expo in New Orleans in June. This was the largest Conference/Expo ICRM has participated in with nearly 600 exhibiting companies and over 11,000 attendees. We were thrilled to speak with many HR Managers, some of which did have a records staff but many others who are a one-person shop and do their own records management. These conversations were a perfect lead into discussing RIM and who we are and what we do. Click [here](#) for full article.
