Letter from the Editor

This issue contains a wonderful tribute to Les Bossert who passed away two years ago by Paula Sutton. Les was an ICRM Regent and a good friend. Over the years my phone would ring and when I answered Les was on the other end. We would talk about all sorts of things, and not just RIM. One summer I had a work assignment in Bismarck ND and we were able to finally meet outside of the annual ARMA Conference.

Ray Cunningham shares with us his working with the government of Trinidad & Tobago over the past 12 years.

Nicolas Soares interviewed Blake Richardson the incoming President-Elect/Treasurer of the ICRM.

Angel Ramos interviewed James Carpenter.

Our poll this issue is an open-ended one: What is your Records Management pet peeve?

Did you know that if you submit an article to Inside ICRM that you will receive CMP credits? Do you know of a fellow CRM or CRA who would be a great interviewee? If so please send their contact information to me.

Will you be in Nashville for ARMA InfoCon 2022? If so feel to seek me out.
